June 13 (CA)

## **PRAYER REQUESTS**

- **Students:** Our students work, support families, study, and often minister in difficult circumstances. Pray for their spiritual and physical health as they minister to their communities.
- **Financial Strength:** UUC continues to seek benefactors who will support the mission of UUC. Pray that God would lead generous people to UUC so that they can make Kingdom investments.
- **Staff & Faculty:** As they continue to serve sacrificially, pray that they would continue to lead with wisdom and vision.

## **GRADUATIONS AROUND THE WORLD**

In June we held our annual graduation ceremony at our central office in California, USA. It was a great celebration of the accomplishments of our students from all over the world including Vietnam and France. A highlight of our celebration dinner was the recognition of the many countries from which our students originate. It was a wonderful demonstration of the unity and diversity of the body of Christ.

Since there were students who could not attend the graduation in California, we also held a graduation ceremony for students in Vietnam. The celebrations continued with the alumni gathering for \_\_\_\_\_ with Dr. Dale Sewall, Dr. Son Nguyen, Dr. Kim-Lien Ngo, and others.

Another graduation ceremony will be held in Paris, France for students from both the Vietnamese and French programs. UUC delegates including Dr. Dale Sewall, Dr. Lesly Joseph, and Mr. Tali Hairston will be there to confer degrees and celebrate with our students.

## **UNION SPOTLIGHT: Mr. Dam Ho**

Since graduating, alumnus Mr. Dam Ho has used his gifts to establish the Vietnam Ministry Group Inc. Through this non-profit organization he raises funds for the support of ministry leaders in Vietnam. Initiatives include providing rice for pastors in impoverished areas, providing Christian literature, and providing radios and MP3 players to believers in remote areas without the benefit of regular pastoral leadership.

Mr. Ho faced a major challenge when he was suddenly diagnosed with cancer. In spite of what could have been a major setback, he kept his vision alive leading VMGI while battling cancer. He is an inspiration and we are proud to call him and his wife among our many graduates doing incredible work.

## **SUPPORT UNION**

You can support Union’s mission to make education accessible to leaders around the world. Without the generosity of those like you, these leaders would continue to find it difficult access the training that they need. To support Union, visit our website and click on the “Support UUC” tab.
