Mission and Description

UUC is a Christian educational institution committed to overcoming language, immobility and financial barriers through an online distance learning methodology designed to prepare students who serve God effectively in their locations and vocations.

The mission has guided UUC in the development of educational offerings as followed:

- Offering programs in different languages. Currently UUC offers programs in English and Vietnamese. There is a plan to add other languages.
- Offering online programs for students to have access to education from anywhere on the globe.
- Currently UUC offers programs in the areas of theology and ministry. UUC plans to add other vocational programs so graduates may have income-generating skills and thus become bi-vocational ministers.
- The tuition of UUC is the lowest among accredited seminaries and Christian universities.
- UUC also offers scholarships in terms of tuition reduction for those with limited financial means. The reductions are calculated on a published scale. We also rely on donations and volunteers.
